

SHOOT IT PERMISSION FORM

Thank you for agreeing to participate in my *Shoot it* activity!

I am making a short film called *Good Advice!* based on the Dig-in Discipleship study of the same name. As I progress through the study I am required to interview and video the responses of a variety of people as part of my film. If you would like to be included in my film please fill out the permission form below. By doing so you are giving your unconditional permission for any footage of yourself to be included in my completed film and shown in the following ways.

(Film maker to cross out options that do not apply.)

- At a school assembly
- For classroom only use
- During Kids' church/Sunday school
- At another church event
- In a small group (for example, my Bible study group)
- At home use (for example, to the film maker's family and friends)
- Other (film maker to specify) _____

If you do NOT want footage including yourself used in these situations please let me know so I can find someone else to help.
